Community Care for Central Hastings Thanks Nat Moraal and the Community

Once again, Community Care for Central Hastings would like to take this opportunity to publicly thank Nat Moraal for his tremendous efforts in organizing Tandem Town Day on August 12, 2011. Nat organized this event in support of Community Care for Central Hastings. With his efforts, and the support of our wonderful community, \$4324.00 was raised for our agency. All of the funds raised from Nat's fundraising efforts go towards supporting programs for Seniors and Adults with Physical Disabilities living in Central Hastings. What is truly amazing is that Nat put the entire event together in 10 short days.

Community Care would also like to thank those community businesses that supported Nat in his efforts by donating items for his raffle. These include, in no particular order: Foodland; One Stop Butcher Shop; Home Hardware; Amazing Coffee, Petro Canada; Barkley Pub; Dino's Pizza; and Johnson's Pharmacy. We would also like to thank all of those who donated items for the silent auction.

During the event there were numerous lucky winners and we congratulate all of them: Money Jar A: Adam Durst; Money Jar B: Brad Phillips; Door Prize Tim Horton's Gift Card: Joan Poole; 1st Tandem Bike: Pat Dobb; 2nd Tandem Bike: Tracey Pelley; Market Bike: Peter Nayler; Foodland Gift Card: Shirley Cooney; One Stop Butcher Shop Gift Card: Kelly Nayler; Home Hardware Gift Card: Jeff Sawkins; Amazing coffee Gift Card: Theresa Dostaler; Petro Canada Gift Card: Larry Bradley; Barley Bub Gift Card: Karen Jones; Dino's Pizza gift Card: David Hall; and Johnson's Pharmacy gift Card: Myrna Pringle.

Over the past two months this wonderful young man has raised a total of \$6771.09 for Community Care for Central Hastings. Thank You Nat! We here at the agency continue to be amazed by you and we are so pleased that you have decided to support us in our work. To quote an anonymous source "It is often the small actions of our lives that, over time have the greatest influence on the world." Nat your actions are far from small but they definitely have a great impact on those seniors and adults living with disabilities in our community and on all of staff.
